## **Apartment Projects | Repairs**

June 21, 2009

**Hi Everyone,**

**We hope this finds you doing well. Two items follow:**

- 1. If you have apartment projects or repairs that are outstanding, please let us know. We want to take care of these asap.**
- 2. Towing will begin tomorrow at 355 and 361 Pearl and at 58-60 Buell. PLEASE be sure you are parking in the appropriate space based on your permit number.**

**If you still need a parking permit, please make arrangements to purchase as soon as possible. The permit application is on the website.**

Thanks very much.

My Best,

Gene Richards
