Champlain Apartments | Storm Preparation II

Dear Champlain Apartments Renters:

Here are some additional suggestions for safety and storm prep:

- * please close and lock all windows, doors, and sliding doors. Close curtains and shades so that in the event that a window breaks, there is a buffer.
- * REMINDER -- please check to ensure all exterior porch and balcony furnishings, bikes, and other items have been brought inside.
- * please report any wires that are down immediately by calling 911.

Please let us know about any safety or property-related damage or concerns immediately.

If you need any help, please let us know. Thank you.

My Best,
Gene Richards
