Dear Champlain  
Apartments Tenants:

I hope this finds you well. I'm writing to let you know that we are expecting severe thunderstorms with high winds today. If you plan to be away from your apartment please be sure to close all windows and doors. Thank you in advance.

On another note, I want to remind you about our help numbers list - click the red button on our homepage at [www.champlainapartments.com](http://www.champlainapartments.com). This service vendor list is available to you to have ANYTHING repaired in your unit that is not working properly. Please use it. If you have questions about who to call, you may call me at 343-9909 or Denise Vignoe at 318-2860.

Finally, our electrician, Bryon Ladd will begin our twice yearly battery replacement in all smoke/carbon detectors beginning this Thursday, 6/12 and continuing for about a week. He will be coming directly into your unit during this window of time and will need access to all detectors. Please expect him. Should you have questions

for him, you may call  
him directly at 598-  
0250.

Thanks very much.

My Best,  
Gene Richards
