

The 7 SPRING Move Out TIPS

1 Don't let your roommates leave you hanging. Have a conversation with your roommates. Plan ahead and talk about how to share responsibilities. Don't expect the last person moving out to take care of everything!

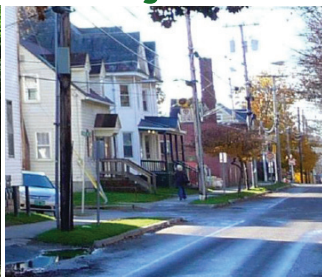

2 Keep the greenbelt clean: It's the law!

Littered greenbelt:

Clean greenbelt:

\$500 fine.

Priceless!

3 Eligible for FREE furniture pick-up?

Early Bird Bonus: You can get a FREE pick up by calling ReSOURCE a couple of weeks before your move out date: (802) 658-4143 ex.19.

4 Don't shop: SMOP! It's free to recycle!

Bring furniture, clothing and household items in **good** condition (no rips & stains) to the **Spring Move Out Project (SMOP) swap on Thurs, May 23rd, 11am-3pm, 2 locations: Loomis St. and Bradley St.**

5 If it's really junk, throw it away for a small on-site fee. Bring furniture in **poor** condition to the SMOP dumpsters (rate sheet on the back). Another option: go to a CSWD Drop-Off Center (details on back). Use your FREE CarShare Vermont membership sponsored by UVM and Champlain to haul stuff: carsharevt.org.

6 Don't lose your security deposit. Clean your apartment thoroughly - the oven, refrigerator, bathroom, windows, floors etc.

7 Put trash and recycling in the right places. Avoid fines by properly disposing of trash. Out of room for your trash? Contact your landlord. Get recycling bins at the Department of Public Works at 645 Pine St. When you move, leave recycle bins for the next tenants.

If we each do a little we can all do a lot!

Spring Move Out Project (SMOP)
