Re: Welcome and Hurricane Irene Preparation

Dear Champlain Apartments Tenants:

Welcome back to Burlington for those of you just returning this weekend. We are looking forward to a terrific 2011-2012 academic year!

Regarding preparation for Hurricane Irene, please take note of the following:

- 1) Please look around the exterior of your property -- yard, porch, balcony. All furnishings, recycling containers, and any other loose items should be brought inside. This will help to keep your immediate surroundings safe and our City clean.
- 2) Please shut and lock all doors and windows. This will strengthen their resistance to wind and heavy rain.
- 3) We recommend that you are prepared to be without electricity for a period of time. Please be sure that you have flashlights and batteries.
- 4) The weather service has recommended that each household have a supply of drinking water and non-perishable food items.

It sounds as if Vermont will experience heavy winds and rain on Sunday and Monday. Please be sure to prepare your environment and take care of your shopping list on Saturday.

Thanks very much for your help. Be safe and let us know if you have any questions.

My Best,
Gene Richards
