

Project Plunger!

November 2, 2010

Dear Champlain Apartments Tenants:

I appreciate your patience as we organize and label all plungers.

As of tomorrow, Wednesday, Urken Lama and Marc Loso will be delivering all plungers directly into your bathrooms as instructed. It will be very important to have the tool in immediate vicinity to the toilet. You will notice the plungers are labeled as indicated below:

- Building location and apartment #
- "ChamplainApartments.com See Video

The labeling is to encourage all plungers stay with the appropriate building/apartment.

Other tools being placed in the basement are a "Zip It Cleaning Tool" and an Auger. Again please refer to ChamplainApartments.com website for the video on how to use the tools provided.

Thank you in advance for your assistance and do email/call/text with any questions.

My Best,
Gene Richards
