Re: NEW Recycling Containers

Dear Champlain Apartments Tenants:

As you may have noticed, we have placed **larger blue recycling totes** in the vicinity of your current trash totes or dumpster. In an effort to facilitate a neater city and to implement a more efficient way of collecting recycling, the City has implemented these new totes. The blue square recycling bins are now a thing of the past. Please place all of your recycling in the new blue totes. We would appreciate it if you would make an effort not to inadvertently put trash in these new totes.

The totes will be picked up on your regular recycling day. If you could help by wheeling them curbside on pick up day, that would be terrific!

Thanks very much. Enjoy your weekend...

My Best,

Gene Richards
