Re: Snow....Snow....and More Snow....

Dear Champlain Apartments Tenants:

Thank you very much for your help over these past several days with snow removal. Our crews have been working very long days to accommodate everything that needs to be done during heavy snow accumulation.

Please continue to do your part by:

1. Checking your building boiler/furnace vent marked by the red and white sign that says, "Please keep vent clear of snow and debris."
2. Keeping your entrance areas, sidewalks, and porches, shoveled and salted.
3. Letting us know if you see anything that needs to be done.

Thanks again....Enjoy the snow!
